

# Career Transition

HONG KONG - SINGAPORE - UNITED KINGDOM

**Our Career Transition Program is specifically designed to help individuals approach their transition in a structured manner.**

**To equip and prepare individuals to transition their careers successfully, the program focuses on six specific areas.**

**1) Understanding and Managing Change**

**We help individuals to manage their changes and emotions.**

**2) Career Decisions and Direction**

**Here we look at what the individuals would like to do in their next career move.**

**3) Self-Assessment**

**Individuals will assess their strengths, areas of development, values and motivation.**

**4) Resume**

**The focus is on creating a new resume to target career opportunities.**

**5) Nine Lead Competencies**

**Individuals will assess themselves against leadership competencies (Executive Level)**

**6) Job Search Plan and Career Assistance**

**Our consultants will work with the individual on laying out a plan and offer career advice such as interview techniques, job offers and salary negotiation.**
